

X-ray Release Agreement

I understand that the full mouth set of radiographic X-rays that are taken are at no extra charge. They are complimentary when taken with the Valpak offer of cleaning, X-rays and exam for \$85. These X-rays are taken to give me a comprehensive exam and to be able to properly diagnose any treatment that might be needed. They are the property of this dental office, Smile NJ Inc. Should I need a copy of them e-mailed or printed, I will be responsible to pay for the full cost of the X-rays at \$188.00.
